Payment Confirmation

Your second payment has successfully processed. Your reservation number is **12076232**. You can view your reservation information, as well as the owner's contact information, at any time on your Trips page. Learn more.

Please be aware there is an increased number of phishing and scamming attempts across the internet. Do not give out any personal information or payment information to any unsolicited calls or emails. Always call us directly if you are having trouble.

Payment Disclaimer
The protection plan payment will appear as a separate line item on your statement and will appear as RVSHARE PROTECTION PLAN.

Roadside assistance information will be emailed to you within 24 hours of your rental start date. Learn more about our roadside assistance program here.

For Your Safety and Security

- RVshare does not use Paypal, Venmo, Bank Wires, Moneygram or Western Union Transfers to collect any payments. All transactions and payments must be completed within RVshare.com
- Never take communications outside of RVshare. Always call us directly if you are having trouble.
- Security Deposits are collected 48 hours before the reservation starts and never collected by an owner over the phone.
- Transactions completed outside of RVshare.com may be considered fraudulent, and are not covered by roadside assistance, the RVshare Worry-Free Rental Guarantee, or RVshare Rewards.

Payment

Your payment will be released to the RV owner's bank account 24 hours after your scheduled check-in time.

Security Deposit

48 hours prior to your scheduled check-in time, RVshare will acquire an authorization for your credit card on file in the amount of your Security Deposit. If there are no damages or overages, the credit card authorization will be released at the end of your rental. *Note: If the Security Deposit Waiver is available and selected at the time of booking, no authorization will be placed.*

RVshare Partnerships Offers
